★ Ticketing

NFT ticketing is an innovative approach to ticket sales and event organization

TICKET & NFT MARKETPLACE

- **Security:** NFT tickets are forgery-proof and offer reliable certification
- **Additional options:** NFT tickets can be used for additional experiences, e.g. access to recordings of online events or exclusive merchandise stores
- **Connection with fan collections:** NFT tickets can be combined with digital collectibles to create unique fan experiences
- **Resale control:** rules can be programmed into NFT tickets to control resale and support the creator.
- **Flexibility*:** Fans can rent NFT tickets for specific events without owning them permanently
- **Unique experiences:** Organizers can offer special rental NFTs for exclusive fan experiences
- **Additional income:** Artists and event organizers can generate additional income by renting out their NFT tickets
- **Blockchain security:** the use of NFTs ensures the authenticity and verification of tickets

*With NFT ticket renting, organizers or artists can temporarily rent their NFT tickets to fans.

Fans can use these rented NFT tickets for a certain period of time to take part in events or enjoy exclusive experiences.

At the end of the rental period, the NFT tickets return to the original owner or will be rented out again.
